### INDIAN JOURNAL OF HETEROCYCLIC CHEMISTRY

*A Quarterly International Journal*

Indian Journal of Heterocyclic Chemistry is exclusively devoted to research in the area of heterocyclic chemistry. The journal publishes invited review articles and original research papers pertaining to structure and synthesis, mechanism of reactions, spectral studies, biologically active compounds, bio-chemical studies, physicochemical work, phytochemistry etc.

The Journal is aimed to cater the needs of scientists working in the area of heterocyclic chemistry who want to get their quality work published rapidly. The journal is first ever such publication of its kind in India. There are two other such publications one from U.S.A. and another from Japan. Eminent Heterocyclic chemists from India and abroad, are on the editorial board of the journal.
