I. Editorial: Prof. M.C. Sharma, Director, IVRI, Izatnagar

II. General Articles:

Pathotyping and protectotyping of infectious bronchitis virus isolated from field outbreaks - M. Arthanari Eswaran and N. Dorairajan

A report on cell mediated immune response of cattle and buffaloes vaccinated against *Brucella* RB51 vaccine - Khalid Ali Nadaf and Y. Hari Babu

Molecular analysis of various mycobacterial species by random amplified polymorphic DNA-PCR - Manish Kumar and P. Das

A differential PCR assay for simultaneous detection of sheep pox virus and contagious ecthyma virus - V.S. Vadivoo, A. Ramesh, S. Suresh Babu and K. Saravanabava

Effects of supplementation of salts to combat thermal stress in buffaloes - Nikhil Ch. Nath, O.K. Hooda, S.K. Meur and G. Singh

Toxicity studies of fungal isolates from Sorghum straw in mice - G.C. Nirmala, N. B. Shridhar, B.R. Suchitra and Shrikrishna Isloor

Effect of stage of embryo on post vitrification survivability in buffaloes - Suresh Kumar, Dinesh Jhamb and S.N. Maurya

Fertility following induced estrus and timed insemination in repeat breeding cows - K. Murugavel, D. Antoine and M.S. Raju

Effect of strain and egg weight on fertility and hatchability traits in white leghorn birds - K. Narayanankutty, R.R. Churchil, P. Ezhil Praveena and Preethymol Joseph

Inheritance of juvenile traits and immunocompetance in Vanaraja female line - M. Niranjan, B.L.N. Reddy, U. Rajkumar, T.K. Bhattacharya and R.N. Chatterjee

Evaluation of clay material to adsorb mycotoxins in chicken diet - M. Manafi, B. Umakantha and H.D. Narayanaswamy

Effect of acidified sodium chlorite on *Salmonella Typhimurium* in drinking water of broilers - A.S. Yadav and M. Kirupasankar

Effect of urea treated paddy straw based diets on the performances of calves - D. Medhi, J. Hussain, A.S. Bhat, Wasim Raja and H.A. Ahmed
Carcass characteristics of broilers fed diet with *Aloe vera* and *curcuma longa* - C. Mehala, M. Moorthy, R. Amutha and R. Ravi  ...  1257

Losses in sheep and goat meat during slaughter and sales - S.K. Mendiratta and V. Lakshmanan  ...  1259

Histogenesis of basal nuclei in goat foetuses - K.M. Lucy, K.R. Harshan, J.J. Chungath and N. Ashok  ...  1263

### III. Clinical Articles:

Treatment of *Pemphicus foliaceus* with cyclosporine in a dog - P. ChansiriPornchhai and N. Kitpanit  ...  1266

Tongue gangrene in dog - Hemant Kumar, A.K. Sharma, L.L. Dass, Shivendra Kumar and Vinod Kumar  ...  1268

Lower lip avulsion in a cow - M.R. Fazli  ...  1270

Duct papilloma of the mammary gland in a male dog - R. Uma Rani, K. Vairamuthu, B. Puvrajana and B. Muruganadan  ...  1272

Ectopic pregnancy in a bitch - Jayaram Desai and S.K. Tiwari  ...  1274

### IV. Short Communications:

Prevalence and pathology of gastrointestinal parasitic infections of poultry - B.S. Sandhu, R.S. Brar, A.P.S. Brar, N.K. Sood and L.D. Singla  ...  1276

Effect of GnRH injection at different stages of estrus cycle on fertility in repeat breeding cows - V. Prabaharan, K. Kulasekar, T. Devanathan and A. Palanisamy  ...  1277

Ultrastructural changes of the *Clarias batrachus* spermatozoa after cryopreservation - Sunil Kumar Nayak, Gopal Krishna and W.S. Lakra  ...  1278

Composition and of Jaggery filter cake and its acceptability in pig - M. Patel, R.J. Sharma, A. Kumar, D.P. Tiwari, Sanjay Kumar and Anindita Panja  ...  1281

Serum biochemical values in lions - B.M. Chandranaik, R. Rishikeshavan, Roopa Sathish, K. Basavarajappa, P. Giridhar and C. Renukprasad  ...  1284

Cholagiocellular carcinoma in a goat - D. Basheer Ahamad and S. Azmi  ...  1286

Congenital *abracia bilateralis* in two cross bred calves - K. Murugavel, D. Antoine and M.S. Raju  ...  1287

Newtonian behavior of the vaginal fluid as a risk indicator of reduced fertility in cows - K. Murugavel and F. Lopez Gatius  ...  1288

Toxicity study of *Christella parasitica* in rabbits - N.B. Shridhar and B.R. Varadaraju  ...  1290

*Solanum indicum* berries toxicity in sheep - K. Mohan, N.B. Shridhar, Avinash Bhat and G.R. Shivaprasad  ...  1292

Bacterial pathogens of gilt head sea bream - Tulay Akayli, Sibel Ozesen Colak and Eda Yardime  ...  1294

Coenurosis in a goat - R.S. Ingole, V.P. Pathak and M.V. Joshi  ...  1296

Antibiogram of bacterial isolates from bovine subclinical mastitis - S.S. Sahoo, N. Sahoo and G.S. Parida  ...  1298
