I. Editorial:
Dr. Nainar Balaraman, the New Editor of The Indian Veterinary Journal ... 8

II. General Articles:
Cloning of S1 gene of avian infectious bronchitis virus - Sudhir Kumar Jain,
Megha Kadam Bedekar, Hemlata Jain and S.M. Tripathi ... 745

In vitro development of cattle embryos in modular incubator chamber - S.K. Das
and A. Santra ... 748

Genetic polymorphism of prolactin gene Exon 3 by PCR-RFLP in murrah buffaloes
- Prashant Verma, C.V. Singh, A.K. Ghosh and Anjan Dandapat ... 751

Comparative evaluation of Seller’s staining and Fluorescent Antibody technique for the
diagnosis of rabies - B.M. Chandranaiik, B.R. Harish, Swati Bamne, Sanjukata Shivaraj,
G. Sivakumar, M.D. Venkatesha and C. Renukaprasad ... 754

Efficacy of xylazine and medetomidine as premedicants to ketamine anaesthesia in
rabbits - Kashinath, S.K. Tiwari, Raju Sharda and Md. Osamah Kalim ... 757

Effect of mist cooling in summer on semen quality of murrah bulls - G.S. Meena,
V.S. Raina, A.K. Gupta, T.K. Mohanty, R. Bishist ... 760

Comparison of norgestomet ear implant and CIDR treatment on
fertility in anestrous cows - K.Murugavel, D. Antoine and M.S.Raju ... 763

Incidence of peripartum diseases in Indian Thoroughbred mares -
Sumeet Sharma and G.S. Dhaliwal ... 766

Status of glucose-6-phosphate dehydrogenase in buffaloes - A.K.Das,
N.K. Majumder and A.C.Majumder ... 768

Molecular phylogentic study of poultry and livestock germplasm - Santosh Haunshi,
Rantra Basumatary,Sunil Doiley and P.S. Girish ... 771

Effect of tea waste on growth, nutrient utilization and economics in calves - S.S. Patil,
B.N. Saikia and K.K. Baruah ... 776

In vitro evaluation of straw based complete diets supplemented
with probiotic yeast - B.Bhima, Y. Ramana Reddy, M. Pavaneni,
M. Sudhakara Reddy and L. Venkateswar Rao ... 779

Effect of feeding sorghum grains on performance of crossbred kids -
Sajjan Siyah and Zile S. Siyah ... 782

Effect of methyl parathion on haematobiochemicals in broilers - R.K. Roy,
H.P. Shrivastava and Chandra Deo ... 785

Effect of tree leaves supplementation to napier grass on intake and growth performance
of goats - B.K. Roy, S.A. Chowdhury, A.Roy and Yajuvendra Singh ... 788

Effect of fibrolytic enzyme supplemented or treated wheat
straw on performance of calves - M.M Das and K.K. Singh ... 791

Arsenic residue in different animal products - S.Biswas, A.K. Das, G. Patra,
A. Chakraborthy and D. Bhattacharyya ... 794

Lactation specific demographic analysis in Sahiwal cows - M. Abbas,
G.R. Gowane and P.C. Chandran ... 798
Microscopic anatomy of the pancreas of Emu bird - N.Rajendrana, A.K. Gautam, A. Prasanth Babu and T.S. Chandrasekhara Rao ... 801

III. Clinical Articles:
Nonsurgical treatment of omasal impaction in ruminants - S. Nayak and S. Samantara ... 804
Basal cell carcinoma in a bitch - P. Vidyka Sagar, A. Prasanth Babu and Makkena Sreenu ... 806
Intestinal obstruction caused by marble stone in a dog - Ramesh Rathod, V. Mahesh, Dayamon D. Mathew and L. Ranganath ... 808
An outbreak of strangles in horses - R.K. Bhardwaj and A.K. Taku ... 810
Fetal resorption in a Poitou jenny with persistent corpus luteum - A. Arangasamy, J. Singh, R.C. Sharma, R.K. Singh, R.S. Bansal and S.N. Tandon ... 812

IV. Short Communications:
Surgical management of gore injuries using corrugated drain sheet in bovine - B. Rameshkumar, T.P. Balagopalan, N.Aruljothi and R.M.D. Alphonse ... 814
Effect of Seprafilm on prevention of intraabdominal adhesions in rats - A.S. Durmus ... 816
Study on neoplasms in dogs - S.Roy, P. Mukherjee, D.K. De and S.K. Nandi ... 818
Comparative evaluation of immune response of different Ranikhet disease vaccines - S.K. Mondal, T.K. Sadhukhan, A. Mahanti, D.P.Isore and I. Samanta ... 820
Effect of iron administration in anaemic goats - R.Singh, R.K. Bhardwaj and R.Katoch ... 822
Mortality in pigs under sub tropical hill conditions of Meghalaya - R. Basumatary, S. Naskar, A. Kumaresan, G. Khargharia and R.K. Bardoloi ... 824
A note on listerial encephalitis outbreak in sheep - V. Mahajan, S.Sharma, G. Filia and H.S. Banga ... 826
Haematobiochmical profile in fluorosis affected buffaloes - S.P. Sharma, S.S. Randhawa, S.K. Uppal, Neetu Saini and R.S. Brar ... 827
Studies on ethylene glycol induced nephropathy in dogs - K. Sandhu, S.S. Randhawa, C.S. Randhawa and S.K. Uppal ... 829
Occurrence of Cotugnia digonopora in young broilers - T.J. Harikrishnan and G.Ponnudurai ... 831
Effects of early weaning on performances in piglets - Ruprekha Gogoi, B.K. Sarmah, B.C. Sarmah, B.C. Deka and D.Kalita ... 833
Physiological responses of two genetic groups of rabbits under different types of housing - N. Bharathi, V. Ramesh, V. Ramesh Saravana Kumar, P. Devendran and D. Anandha Prakash Singh ... 835
Study on growth potential and body measurements of Kenguri breed of sheep - M.M. Appannavar, Ashok Pawar, B.Ramchandra, M.K. Tandle and G.S. Naveen Kumar ... 837
Metabolic profiles of lactating cows during puerperium - H. Morvayova, F. Novotny, I. Valocky, J. Posivak, M. Jakubcinova, B. Leso ... 839
Efficacy of used CIDR insert on postpartum anestrous cows - K. Murugavel, D. Antoine and M.S.Raju ... 841

V. News ... 821, 825

VI. Flash Back ... 846
